

## Monthly Information/Surcharge Bulletin

### Far East

The BAF application for shipments originating Far East (excluding Japan) for the month of August 2007 will be US\$317.00 per TEU, LCL cargo will be US\$15.60 per Cbm or 1000kgs.

CAF applicable for shipments originating Far East (excluding Japan) the month of August 2007 will be + 10.3%.

Following the recent GRI (General Rate Increase), as detailed in previous bulletin messages, RIF has no option but to increase the general tariff applicable for LCL shipments by US\$10.00 per cbm. Please note that this increase is passed on at cost and in order to provide client transparency of this increase, the decision was made to increase the 'Oceanfreight' cost instead of trying to pass on via changes to the UK charges rate structure. Please do not hesitate to contact your local RIF office/representative for more information.

We would also like to remind clients that, again further to our previous bulletins, 'PSS' (Peak Season Surcharge) of US\$135.00 per 20' container and US\$270.00 per 40' container will be applicable from 1<sup>st</sup> August.
